

YWCA LEAP

LEAP helps women to learn, explore, assess and prepare for the world of work. LEAP offers a free one-stop personalized program, supported by employment specialists, for each woman's unique career needs and goals.

Who can benefit from this program:

Women who...

- Are unemployed and/or underemployed
- Need career guidance and job search support
- Have a working knowledge of English
- Are Canadian citizens, landed immigrants or convention refugees
- Are committed to a return to work action plan

This program offers:

- Job search workshops, an employment café and counselling
- "Job Action Day" recruiting events
- Employment connections workshops
