As of April 1, 2025, Canada-Ukraine Authorization for Emergency Travel (CUAET) temporary residents and their dependents will no longer be eligible for YWCA JUMP services or any other settlement program funded by the Immigration, Refugee, and Citizenship Canada (IRCC). We want to make sure you have access to resources, information and services before your eligibility ends on March 31, 2025.

Join this information session where you will:

- Learn from other organizations and programs you can access after April 1, 2025.
- Receive additional resources and information that can support your employment and settlement needs.

This webinar is tailored for CUAET temporary residents; however, all JUMP Etobicoke participants are welcome to attend.
