A unique employment program that prepares young women (under the age of 29) for today's demanding labour market, and provides goal oriented strategies to help build a strong foundation for career and life success.

By the end of this program you will,

- Identify your personal strengths and areas where improvement is needed
- Discover resources leading to career/employment success
- Strengthen knowledge of "self"; use your knowledge of self and others to improve interpersonal relationships at work, school and home
- Increase essential employability skills in Customer Service, Interpersonal, Team Building and Leadership

This exclusive program helps you create an individual action plan to achieve your future education, career and life goals.

Take Control of Your Future – let YWCA Toronto help you!

Participants may become eligible for other training programs and opportunities with the YWCA Toronto's Skills Development Centre. This series can also be customized for groups. Contact us to discuss your organization's and team's needs!
